Components of ARISE Plus-Technical Assistance

1 Trade Facilitation & Transparency

Support the transparency of trade regulations and streamlining of non-tariff measures through the ASEAN Trade Repository (ATR) and ASEAN Solutions for Investments, Services and Trade (ASSIST).

3 Customs, Transport & ACTS

Support the harmonisation of customs, enhanced cross-border transport environment, and implementation of ACTS for seamless movements of goods within ASEAN.

2 Standards & Conformity Assessment

Support the harmonisation of standards and regulations particularly for healthcare and agro-food sectors and support ASEAN conformity assessment and accreditation.

4 ASEAN Economic Integration Monitoring & Statistics

Support the operationalisation of AEC 2025 M&E Framework, awareness raising on AEC, ASEAN Secretariat's research capacity and role of the ASEAN Community Statistical System (ACSS).
